

AMENDMENTS TO THE CLAIMS

This listing of claims will replace all prior versions, and listings, of claims in the application:

1. (original) A composition comprising a dry powdered diet which, when mixed with wet feed and/or with water, forms a gel.
2. (original) A composition as claimed in claim 1, further comprising a liquid diet component.
3. (currently amended) A composition as claimed in ~~either of claims 1 and 2~~ claim 1, wherein the diet comprises one or more of vitamins, minerals, 1,3 and/or 1,6 beta glucans, carotenoids, amino acids, oils, yeasts, algae and freeze-dried feed.
4. (currently amended) A composition as claimed in ~~any one of the preceding claims~~ claim 1, wherein the composition includes a natural binder.
5. (original) A composition as claimed in claim 4, wherein the natural binder is particulate natural algae.
6. (original) A composition as claimed in claim 2, wherein the liquid component has an aqueous phase containing water soluble vitamins, minerals, carotenoids and/or amino acids.
7. (currently amended) A composition as claimed in ~~either of claim 2 or 6~~ claim 2, wherein the liquid component has micelles containing fats, fat soluble vitamins, carotenoids and/amino acids.
8. (currently amended) A composition as claimed in ~~any one of claims 2, 6 and 7~~ claim 2, further comprising plankton and/or algae in liquid form.
9. (currently amended) A composition as claimed in ~~any of the preceding claims~~ claim 1, wherein the composition comprises natural sources of algae and crustaceans.
10. (currently amended) A gel feed comprising a composition as claimed in ~~any one of the preceding claims~~ claim 1 mixed with wet food and/or water.

GEACH
U.S. National Phase of PCT/GB2003/004714

11. (original) A gel feed formed on to a rope or in the form of a feed block.
12. (currently amended) A gel feed as claimed in ~~claim 11, wherein the gel feed is a gel feed as claimed in claim 10~~ claim 10 wherein the gel is formed on to a rope or in the form of a feed block.
13. (currently amended) A gel feed as claimed in ~~any one of claims 10 to 12~~ claim 10, wherein the feed is frozen.
14. (currently amended) A method of forming a cold setting gel feed comprising mixing a composition as claimed in ~~any one of claims 1-9~~ claim 1 with a wet food and/or water.
